Street Lights - Wark Village.

Councillors Davidson, Barr, and Johnson met at Wark Village to consider proposals by Mr Fallon, Highways Dept., Northumberland County Council.

Proposals:

Replace light east of Village near farm cottages.

" light at Post Office.

Higher metal standards with stronger lights.

New Lights:

At Telephone Box

near "The Hollies" cottage.

The Councillors considered additional light near "The Hollies" cottage unnecessary. Suggested new light be erected opposite entrance to Farm Buildings.
